

FSI64

Standard	EN ISO 20345:2011
Category	SBP SRA
Size Range	UK 4 - 13 EU 37 - 48
Colour	Brown
Slip Resistance	SRA

FSI64: FSI64 is a hardwearing industrial safety boot with oil-resistant sole. Features three main eyelets, two speed lacing hooks and an optional ankle-high eyelet for an extra-secure lace fit. Crafted with a tough full grain crazy horse leather upper, with embossed Amblers 'A' logo feature. Added comfort is given by the padded collar and tongue. Benefits from a Goodyear Welt construction renowned for its strength and durability. A tough penetrative-resistant steel midsole provides underfoot protection. Features a handy pull-on loop at the rear. Unisex size range covers the majority of the workforce.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
