AMBLERS SAFETY

Amblers Safety is a leading British safety footwear brand, providing all-day comfort and quality. With over 30 years' expertise, we know how to protect you at work with footwear that you can rely on. TOUGH WORKING COMFORT

FS43

Standard	EN ISO20345:2011
Category	SIP
Size Range	UK 6 - 14 | EU 39 - 49
Colour	Black
Slip Resistance	SRC

FS43: Lace-up safety shoe crafted in a formal Oxford style suitable for industrial managerial use or workers who are front of shop facing but also need to enter back office stock rooms. Crafted with a smooth mono-black action leather upper and perforated eyelets. Offers steel toe cap protection. Composite midsole protects the foot underfoot whilst allowing the shoe to flex. Removable EVA footbed for all day on-the-foot comfort. Antistatic dual density PU sole unit with an energy absorbing heel. Offers a good level of traction on a range of surfaces meeting SRC slip resistant standards.

Upper	Action Smooth Leather	**Construction**	Injection
Inner Lining	PU Lining	**Sole**	Single Density PU Sole
Footbed	Removable EVA Footbed	**Weight**	600 grams
Impact Resistance	200 Joules Steel Toe Cap	**Penetration Resistance**	Non-metallic anti-penetration midsole - min. 1100N

FEATURES

- Lightweight Formal Safety Shoe
- Oxford Toe
- Padded Collar
- Antistatic
- Energy Absorbent Heel
- Oil Resistant Outsole

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
