type PB[6]

Welding jacket with breathing panels in a very comfortable fabric with extremely good welding properties and protection against radiant heat and metal splashes.

Ergonomically shaped and pre-shaped sleeves to avoid creasing from metal splashes. Concealed zip and press stud closing. High collar for extra protection and adjustable width. Chest pockets with flaps. Side pockets with flaps. Sleeve pocket with flap, concealed keyring holder and strap for ID-pocket. Arm ventilation. Extended back with ventilation and reflective stripe. Adjustable waist and cuffs. Inside pocket. Fluorescent piping on chest and back.

Color: 67 anthracite

Size: XS-4XL
