TRANEMO OFFICE FR

Flame Retardant, excellent fit, enhanced
comfort and modern design

OFFICE FR

WHEN ALTERNATING BETWEEN THE OFFICE AND RISK ENVIRONMENTS

A long-awaited range for workers who need to move between office environments and areas where there is an FR / ARC risk.

With the Tranemo OFFICE FR range, you can now look good in the office whilst still having the adequate protection when switching to other demanding environments.

So now you can be safe and well-dressed in the workplace.

EXCELLENT FIT, ENHANCED COMFORT AND MODERN DESIGN

Using the modern and stylish shirt from the OFFICE FR range, you will get excellent Inherent Flame-Retardant protection with Anti-Static properties. The shirt will also give you protection against Electric Arc accidents and is approved for category PPE2 (Arc Rating 8 cal/cm²). With business shirt styling and a very comfortable fabric, this shirt will be very comfortable to wear.

The jeans have a narrower fit and are made from Inherent Flame Retardant unwashed stretch denim and are also available in both ladies' and men's sizes. It is a classic 5 pocket model with side pockets, a coin pocket and hip pockets. Just like your regular jeans, they will become more comfortable the more you wear them.

You can enhance your OFFICE FR clothing with other Tranemo Flame Retardant products to help maximise your protection.
